

TOP 30 COMPANIES HIRING DATA SCIENTISTS & AI/ML ENGINEERS IN GERMANY (English-Friendly)									
Source: Indeed Germany · Compiled March 2026 · English language roles only									
#	Company	Role	Location	Type	AI Problem Being Solved	Core Tech Stack	Key Skills Required	Salary (EUR)	Apply Link
1	Deutsche Post & DHL	Associate Data Scientist AI	Bonn	Full-time	Logistics route optimisation, supply chain AI, RAG-based internal tools	Python, RAG/LLM APIs, SQL, Git, Cloud (AWS/GCP)	LLMs, RAG, agent orchestration, backend pipelines, ML fundamentals, English communication	Competitive	Apply →
2	Wolters Kluwer (Libra)	AI Engineer – Legal AI	Berlin	Full-time	AI assistant for legal research & drafting; RAG over legal content	Python, FastAPI, LLM APIs, RAG, LangFuse, TypeScript (bonus)	LLM API integration, RAG pipelines, backend engineering, security, FastAPI, English fluency	Not listed	Apply →
3	Knowunity	AI Engineer	München	Full-time	Personalised AI learning companion for 1B+ students; LLM routing & fine-tuning	Python/Go/TypeScript, LLM APIs (OpenAI/Anthropic), BigQuery, dbt, Flutter	Prompt engineering, LLM integration, A/B testing, backend dev, product thinking	Competitive + equity	Apply →
4	ABOUT YOU SE	Senior Data Scientist – Search	Hamburg	Full-time	Personalised fashion search engine; retrieval & reranking systems	Python, SQL, Polars/Pandas, GCP Vertex AI, SageMaker, MLflow, Docker	NLP, retrieval systems, ML deployment, cloud ML, CI/CD, BigQuery, English	Not listed	Apply →
5	Sonar	ML Scientist – AI for Code	Bochum	Full-time	Static code analysis using LLMs; automated bug & vulnerability detection	Python, PyTorch/TensorFlow, Hugging Face, RAG, AWS, vector DBs	NLP/PLP, LLM fine-tuning (LoRA/QLoRA), RAG pipelines, data pipelines, English	Not listed	Apply →
6	Carbmee	Data & AI Consultant – ClimateTech	Berlin/München	Full-time	Carbon emissions measurement using AI; Scope 3 data gap filling with ML	Python, SQL, AWS/GCP/Azure, ETL, LLMs, SAP integration	ML in production, LLMs, data engineering, enterprise data, English fluency, sustainability	Not listed	Apply →
7	One Click LCA	Senior AI Application Engineer	Berlin/Remote	Full-time	LCA platform for construction decarbonisation; AI agents for environmental analysis	Python, LangGraph/LangChain, LLM APIs, AWS, FastAPI	LLM agents, RAG, AI copilots, Python (production-grade), 5+ yrs AI exp, English	Competitive	Apply →
8	Avelios Medical	Machine Learning Engineer	München	Full-time	AI for clinical decision support & healthcare workflow automation	Python, ML frameworks, SQL, cloud	ML modelling, healthcare data, Python, deployment, English	Not listed	Apply →
9	Billie	Data Scientist	Berlin	Full-time	B2B fintech credit risk modelling, fraud detection using ML	Python, SQL, ML frameworks, cloud	Credit risk ML, Python, statistical modelling, English	Not listed	Apply →
10	idealo internet	Senior Data Scientist – Search	Berlin	Full-time	Price comparison search ranking & personalisation	Python, SQL, ML frameworks, cloud	NLP, ranking systems, Python, SQL, English	Not listed	Apply →
11	IQVIA	Senior Data Scientist	Frankfurt	Full-time	Pharmaceutical real-world data analytics & clinical trial ML	Python, R, SQL, cloud, ML frameworks	Stats, ML, pharma data, R/Python, English	Not listed	Apply →
12	Ottobock	Data Engineer / Data Scientist	Berlin	Full-time	Medical prosthetics IoT data pipelines & predictive analytics	Python, SQL, cloud (AWS/Azure), data pipelines	Data engineering, ML, cloud, Python, English	Not listed	Apply →
13	Daisytuner GmbH	Machine Learning Engineer	Darmstadt	Full-time	Audio/media personalisation & recommendation ML	Python, ML frameworks, API development	ML engineering, Python, recommendation systems, English	Not listed	Apply →
14	ellamind	AI Engineer	Bremen	Full-time	Enterprise process automation using LLMs & AI agents	Python, LLM APIs, cloud, REST APIs	LLM engineering, agent development, Python, English	€60k–€100k	Apply →
15	Dombracht	Data Scientist	Iserlohn	Full-time	Industrial manufacturing quality prediction & process optimisation	Python, ML frameworks, SQL	ML, Python, manufacturing analytics, English	Up to €80k	Apply →
16	Staburo	Data Scientist – Healthcare	München	Part-time	Statistical analysis & ML for clinical/healthcare studies	R, Python, statistical modelling	Biostatistics, R/Python, healthcare, English	Not listed	Apply →
17	METRO MARKETS GmbH	Working Student – Data Science	Düsseldorf	Part-time	E-commerce product data intelligence & market analytics	Python, SQL, analytics tools	Python, SQL, analytics, English	Not listed	Apply →
18	Delicious Data GmbH	Working Student ML Engineer	München	Part-time	ML solutions for food/retail demand forecasting & personalisation	Python, ML frameworks, data pipelines	ML engineering, Python, data pipelines, English	€20–25/hr	Apply →
19	MEAG Munich ERGO	Working Student – GenAI Transformation	München	Part-time	GenAI adoption for asset management; LLM tooling & workflow automation	Python, LLM APIs, GenAI tools	LLMs, prompt engineering, finance domain, English	Not listed	Apply →
20	Advantest	R&D Engineer – AI Integration	München	Contract	AI-driven semiconductor test optimisation & predictive maintenance	Python, ML frameworks, embedded/C++	ML, Python, hardware/IoT data, English	Not listed	Apply →
21	QIMIA GmbH	Data Engineer / Data Scientist	Köln	Contract	Cloud data platform & ML pipeline consulting for enterprise clients	Python, SQL, cloud (AWS/Azure/GCP), Spark, dbt	Data engineering, ML pipelines, cloud, Python, SQL, English	Not listed	Apply →
22	Deutsche Rentenversicherung	Senior Data Scientist	Berlin	Part-time	Public pension system: fraud detection, claims processing ML	Python, R, SQL, ML frameworks	ML, stats, Python/R, public sector, English	Not listed	Apply →
23	KWS Group	Graduate – Data Science	Einbeck	Full-time	Agricultural genomics: crop yield prediction using ML & bioinformatics	Python, R, ML frameworks, bioinformatics tools	ML, R/Python, agri data, English	Not listed	Apply →
24	Witt-Gruppe	Senior Data Scientist	Weiden	Full-time	Fashion e-commerce: customer segmentation, demand forecasting, personalisation	Python, ML frameworks, SQL, cloud	ML, Python, SQL, e-commerce analytics, English	Not listed	Apply →
25	QuoData	Working Student / Intern – Data Scientist	Dresden	Internship	Statistical quality assurance & data integrity modelling	Python, R, statistics	Stats, Python/R, QA, English	Not listed	Apply →
26	Carbmee (2)	Data & AI Consultant (Senior)	Berlin	Full-time	Scope 1/2/3 emissions AI; LLM-powered carbon data extraction at scale	Python, SQL, LLMs, cloud, ETL, SAP	Senior ML, LLMs, enterprise data, cloud, sustainability, English	Not listed	Apply →
27	as mediendesign / FZ Jülich	MLOps Engineer	Jülich	Part-time	Research institute AI infrastructure; ML pipeline CI/CD & monitoring	Python, MLflow/Kubeflow, Docker, cloud, CI/CD	MLOps, CI/CD, Docker, Python, ML pipelines, English	€4,628/mo	Apply →
28	ComfNet Solutions	Machine Learning Engineer	Hamburg	Full-time	Industrial/enterprise ML solutions; predictive analytics & automation	Python, ML frameworks, cloud	ML engineering, Python, deployment, English	Not listed	Apply →
29	datasolut GmbH	Data Scientist	Köln	Full-time	ML/AI consulting: marketing analytics, logistics, sales forecasting	Python, TensorFlow, scikit-learn, SQL, cloud (Databricks/AWS/Azure)	ML, DL, NLP (bonus), Python, SQL, cloud, forecasting, English	€65k–€85k	Apply →
30	enjins	Business Dev & AI Automation	Berlin	Part-time	AI workflow automation for business processes; LLM-powered automations	Python, LLM APIs, no-code AI tools	LLM automation, Python, business acumen, English	Not listed	Apply →
